

## Student Advisory Board

### Who We Are:

#### **Mission Statement**

The mission of ReInventing the Cycle, a 501 (c)(3) tax deductible nonprofit organization, is to provide educational programs that will empower people to break dysfunctional life cycles and then reinvent positive, healthy ones.

#### **Vision Statement**

ReInventing the Cycle will provide sensitive, yet direct educational programs that will focus on breaking dysfunctional life cycles and reinvent positive, healthy ones. The programs will make abstract concepts concrete through the interactive programs offered. Skills taught by ReInventing the Cycle empower people to practice healthier and happier ways of living.

ReInventing the Cycle has a goal to S.T.O.P. child victimization by implementing their program called *Project S.T.O.P.* This program aims to stop child predators by heightening awareness in children that people they know, not just strangers, could cause them harm, along with how to prevent and/or stop victimization from occurring.
